Commissioner:

In response to the Official Action of December 27, 2004, please reconsider the application in light of the following amendment and remarks. Please note that on January 10, 2005 during a telephone conversation with the Examiner the Examiner stated that he mistakenly listed this as a FINAL rejection. In fact it is a Non-Final Office Action. Therefore, Applicant believes that a two month extension is required and is herein requested. However, should there be any deficiencies or need for further extension, applicant hereby petitions for any necessary extension and authorizes the Director to charge applicant's charge account 50-2069. Please credit any overpayment to this account.
